Visit (s) of the sponsored Saint Bernard

- ✿ Depending on the sponsorship category, the sponsor has the right to meet the sponsored dog several times a year: Platinum once a week; Gold once a week; Silver twice a month; Bronze once a month. The Platinum sponsorship is entitled to receive once a year the visit of the sponsored dog, directly to his home in Switzerland.
- ✿ The visit must be announced in advance and agreed with the caretaker team by telephone at the kennel and at the following number: +41 (0) 79 276 52 23, or directly at the museum at: +41 (0) 79 788 17 08.
- ✿ The visit takes place at the place where the dog is located, that is the Kennel in Martigny, the Barryland – Musée et Chiens du Saint-Bernard or at the Grand St. Bernard Pass. Please note that individual visit agreements apply for dogs living in any other site than those mentioned above.
- ✿ During the visits, a dog keeper will always assist you and be present to walk the dog with you, to attend the care, etc.
- ✿ The duration of the visits will depend on the needs of the sponsored dog. According to our experience, the visit is about one hour long.

Process

- ✿ The sponsorship begins the day we receive the payment, or on the agreed date, and is concluded for the duration of one year.
- ✿ About two months before the sponsorship deadline, the Barry Foundation sends a sponsorship renewal proposal. Upon payment, the sponsorship continues for another new year. The sponsor will receive a new certificate at this time. Otherwise, the sponsorship will simply end.
- ✿ There is no possibility to refund any amount that is already paid for.

The well being of our Saint-Bernard dogs

We would like to have your attention and to inform you that the well-being of our Saint-Bernard dogs will always prevail in the decisions we make for them. If one of our dogs is no longer comfortable at the kennel / museum (sick, elderly, etc.), we reserve the right to offer him a new home and remove him from the sponsorship list. At that time, the sponsor has the right to choose another available dog for sponsorship. This is also valid in the event of the death of the sponsored Saint Bernard.

The choice of the dog to be sponsored is in agreement with the Barry Foundation.
