

## General terms and conditions

### Walks with the St. Bernards

Participation in the walks calls for:

- A good level of fitness.
- Footwear designed for walking on rough terrain.
- All-weather clothing.

If the above requirements and the safety instructions issued on the day are not complied with, participation in the walk may be denied. A decision taken by the group leader to exclude a participant from the walk is final and no refund will be made.

- ✓ Participants' own dogs and pushchairs may not be taken on the walk.
- ✓ Participants authorise the Barry Foundation to publish photos and videos in which they appear.

### Cancellations

Cancellation of a reservation for an activity must be communicated in writing by the customer (email to [event@fondation-barry.ch](mailto:event@fondation-barry.ch)) as soon as possible. Cancellation of a reservation that is not the responsibility of the Barry Foundation incurs a cancellation fee:

- Seven or more days before the start of the activity → no fee, **refund in the form of vouchers**
- Fewer than seven days before the start of the activity → 100% of the cost of the activity

The walks take place in all weathers. However, the Barry Foundation reserves the right to cancel a walk if the conditions are considered dangerous. In this event, the Barry Foundation will refund the cost in its entirety. Cancellations are communicated to the participants by email to the address given when reserving.
